When did our heart
Stop beating?
Used up all the heat
When did it start?
Our meeting
It's been on repeat
I know there's a full moon every night
it's just not always bright
but it's been so long since I saw the light
maybe I haven't been looking at the sky

Sweetheart please love me too long
My heart's too strong
Love me too long
Sweetheart please let me hold on
To these old songs
I've loved too long

When I'm in bed
I'm dead
No one to check my pulse
And so instead
My head
Beds not to be so full
and when I fall
asleep
which part of me wakes the dream
and which part falls
asleep
who's running the machine?

I know theres a full moon every night
When I dress black it shines white

Maud
Now you're gone

I'VE BEEN SLEEPING AT TREEHUGGER'S
SINCE YOU LEFT...

I CAN'T TRUST MYSELF TO SLEEP
ALONE AFTER THAT FIRST WEEK WITHOUT YOU.

I TAKE MY MEDS.

I GO TO
WORK.

I TRY NOT TO
THINK ABOUT YOU.

I HATE THAT
YOU LEFT

IT WAS SELFISH
OF YOU TO LEAVE...

IT WAS SELFISH OF
ME TO TRY AND
MAKE YOU STAY...

I'VE BEEN ROTTING
SINCE YOU LEFT...

YOU WERE RIGHT,

I'M A CODEPENDENT
LITTLE BITCH

ALWAYS MOMENTS
AWAY FROM A
BREAKDOWN.

ALWAYS TOO MUCH.

I'M SORRY, I CAN'T HELP IT.

IT'S JUST THE WAY I AM,
I WISH YOU COULD LOVE ME
FOR THE WAY THAT I AM.

"Yea I know"

March 2nd I was cursed
I never felt my body hurt
I'ma end up in a hearse
By march 21st

You know I'm going around in circles baby
I know, I'm going around in circles baby

I wanna kill myself
But I'm to big of a coward
I have no self control
I have no power

You know I'm going around in circles baby
I know I'm going around in circles baby

I owe the government hella cash
And I can't get it hella fast
They gon' take it out my account
And i'ma die broke

You know I'm going around in circles baby
I know I'm going around in circles baby

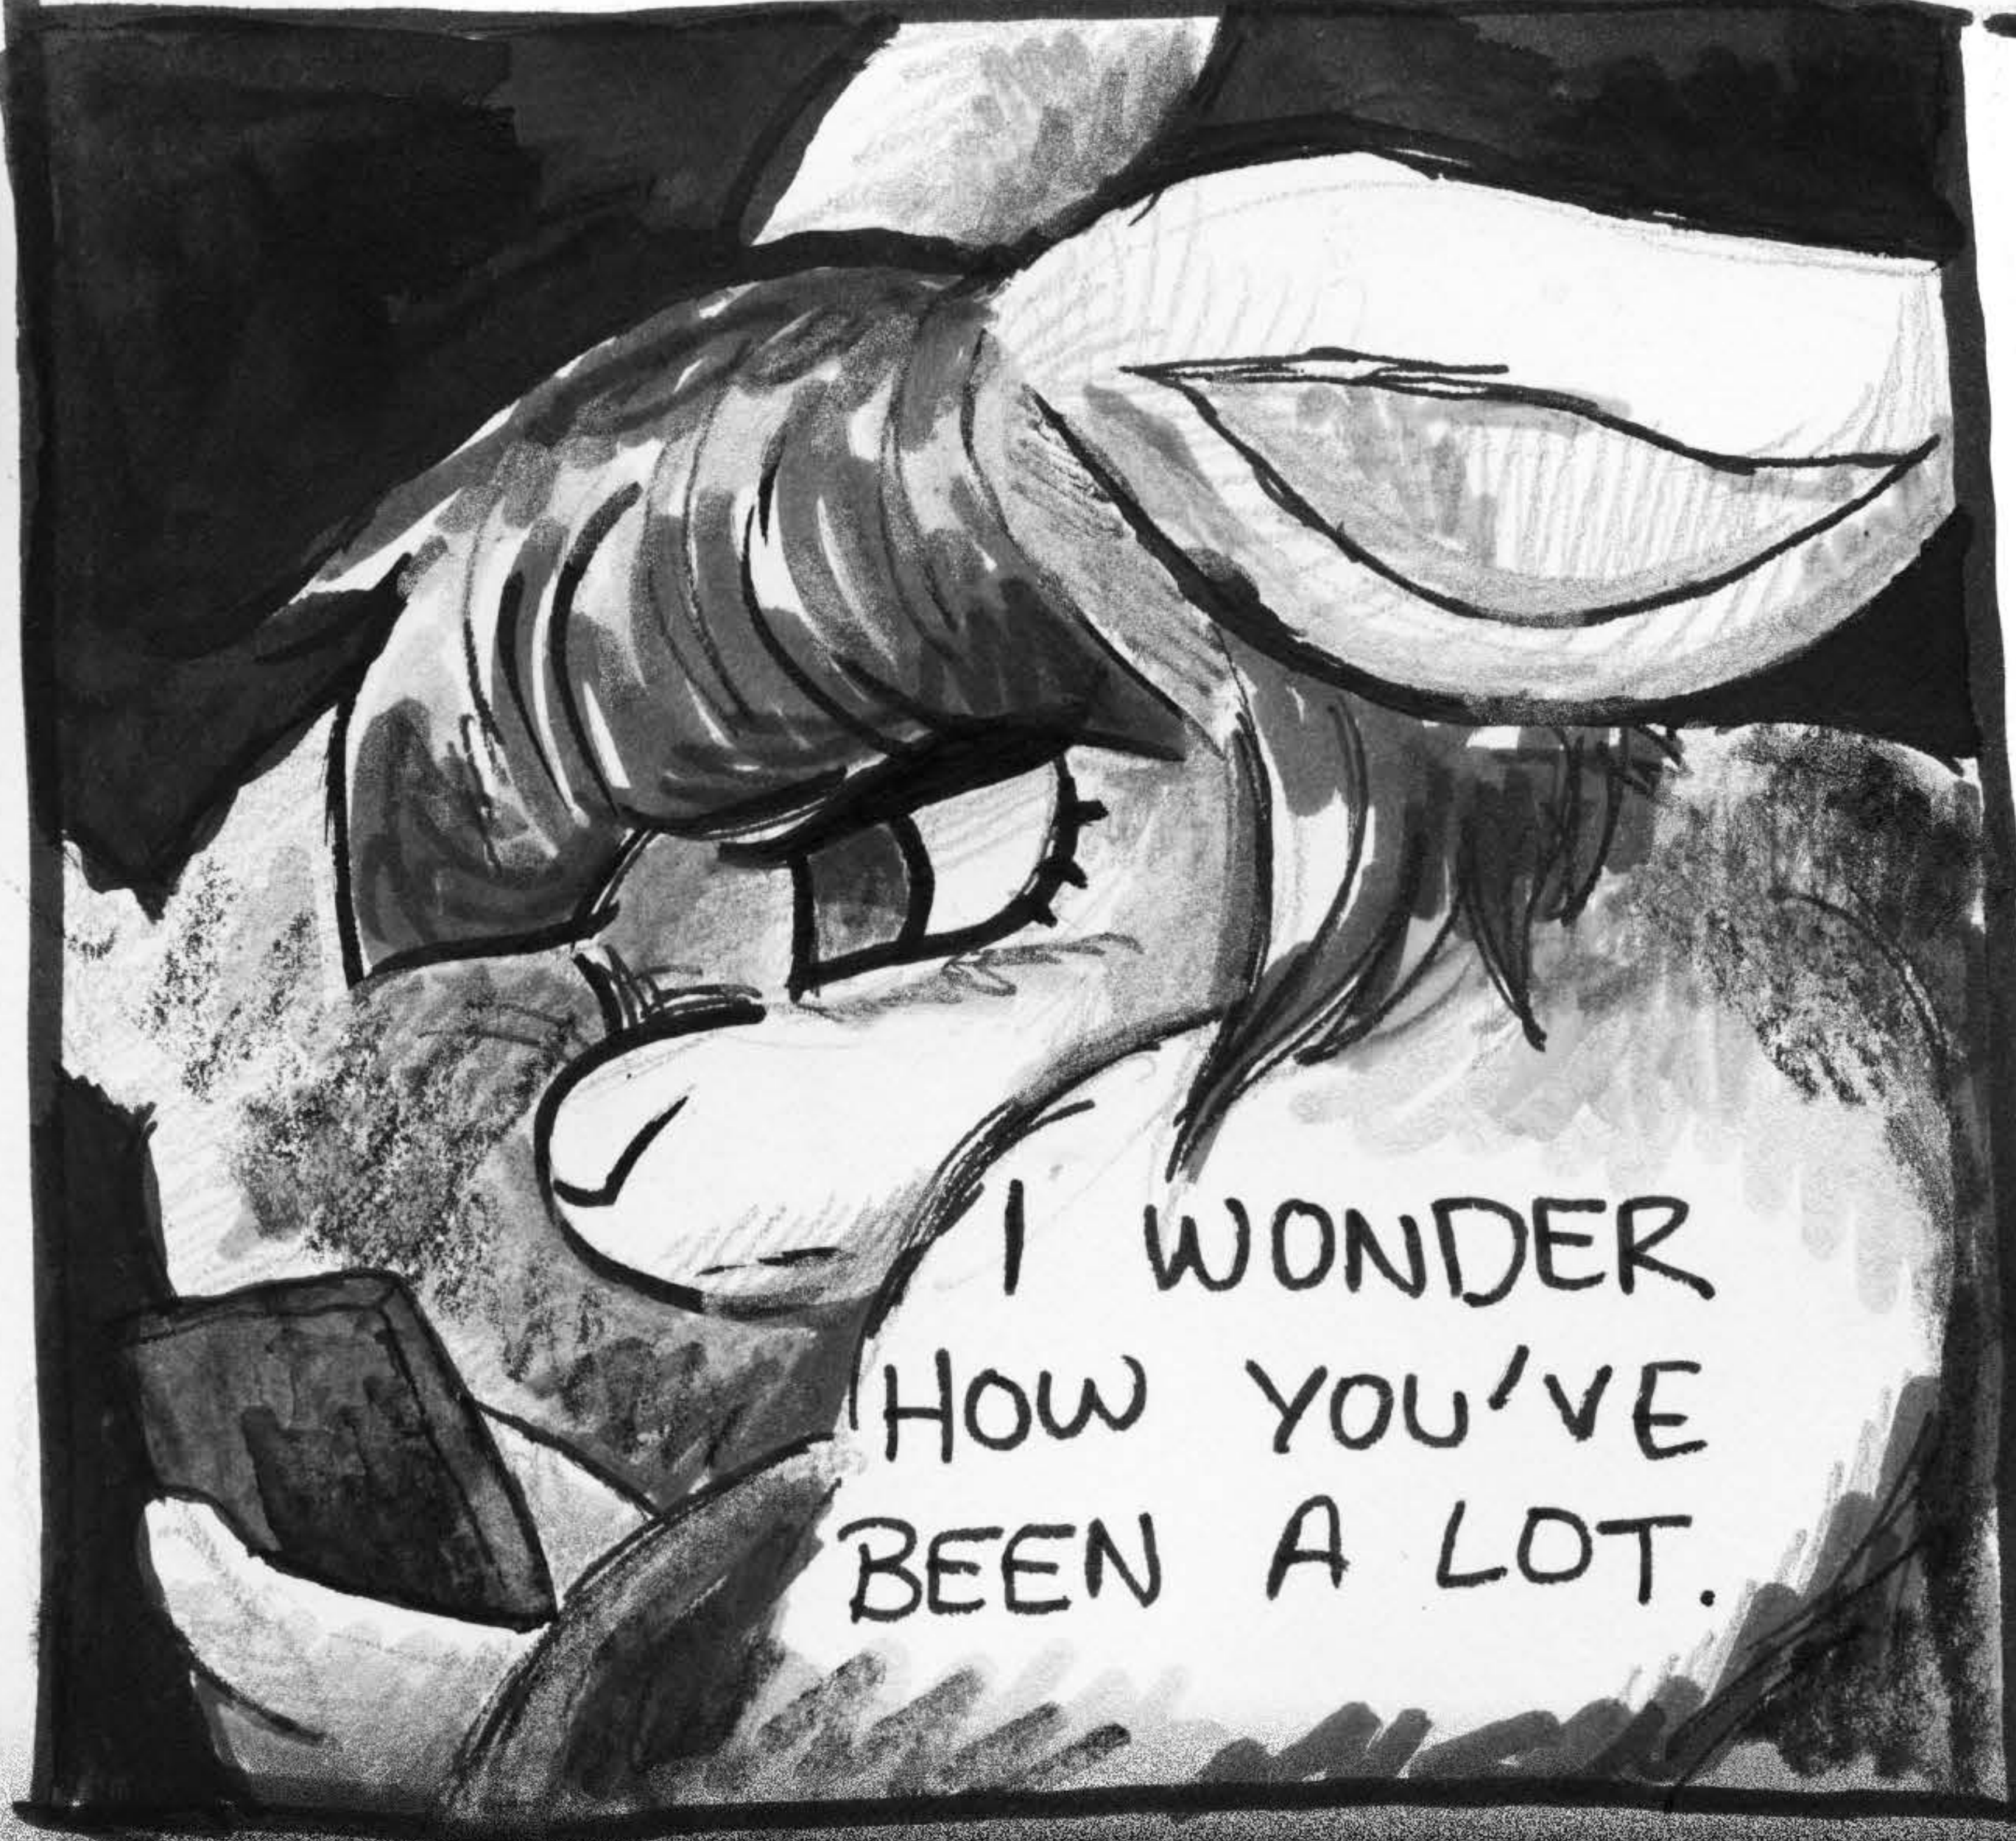

I ma die a broke man
Not a cent in my hand
Cause life ain't fair
All kids beware

You know I'm going around in circles baby
I know I'm going around in circles baby

I never met another one
But my face gon' meet this gun

And I don't care where I go
And I don't care where you from

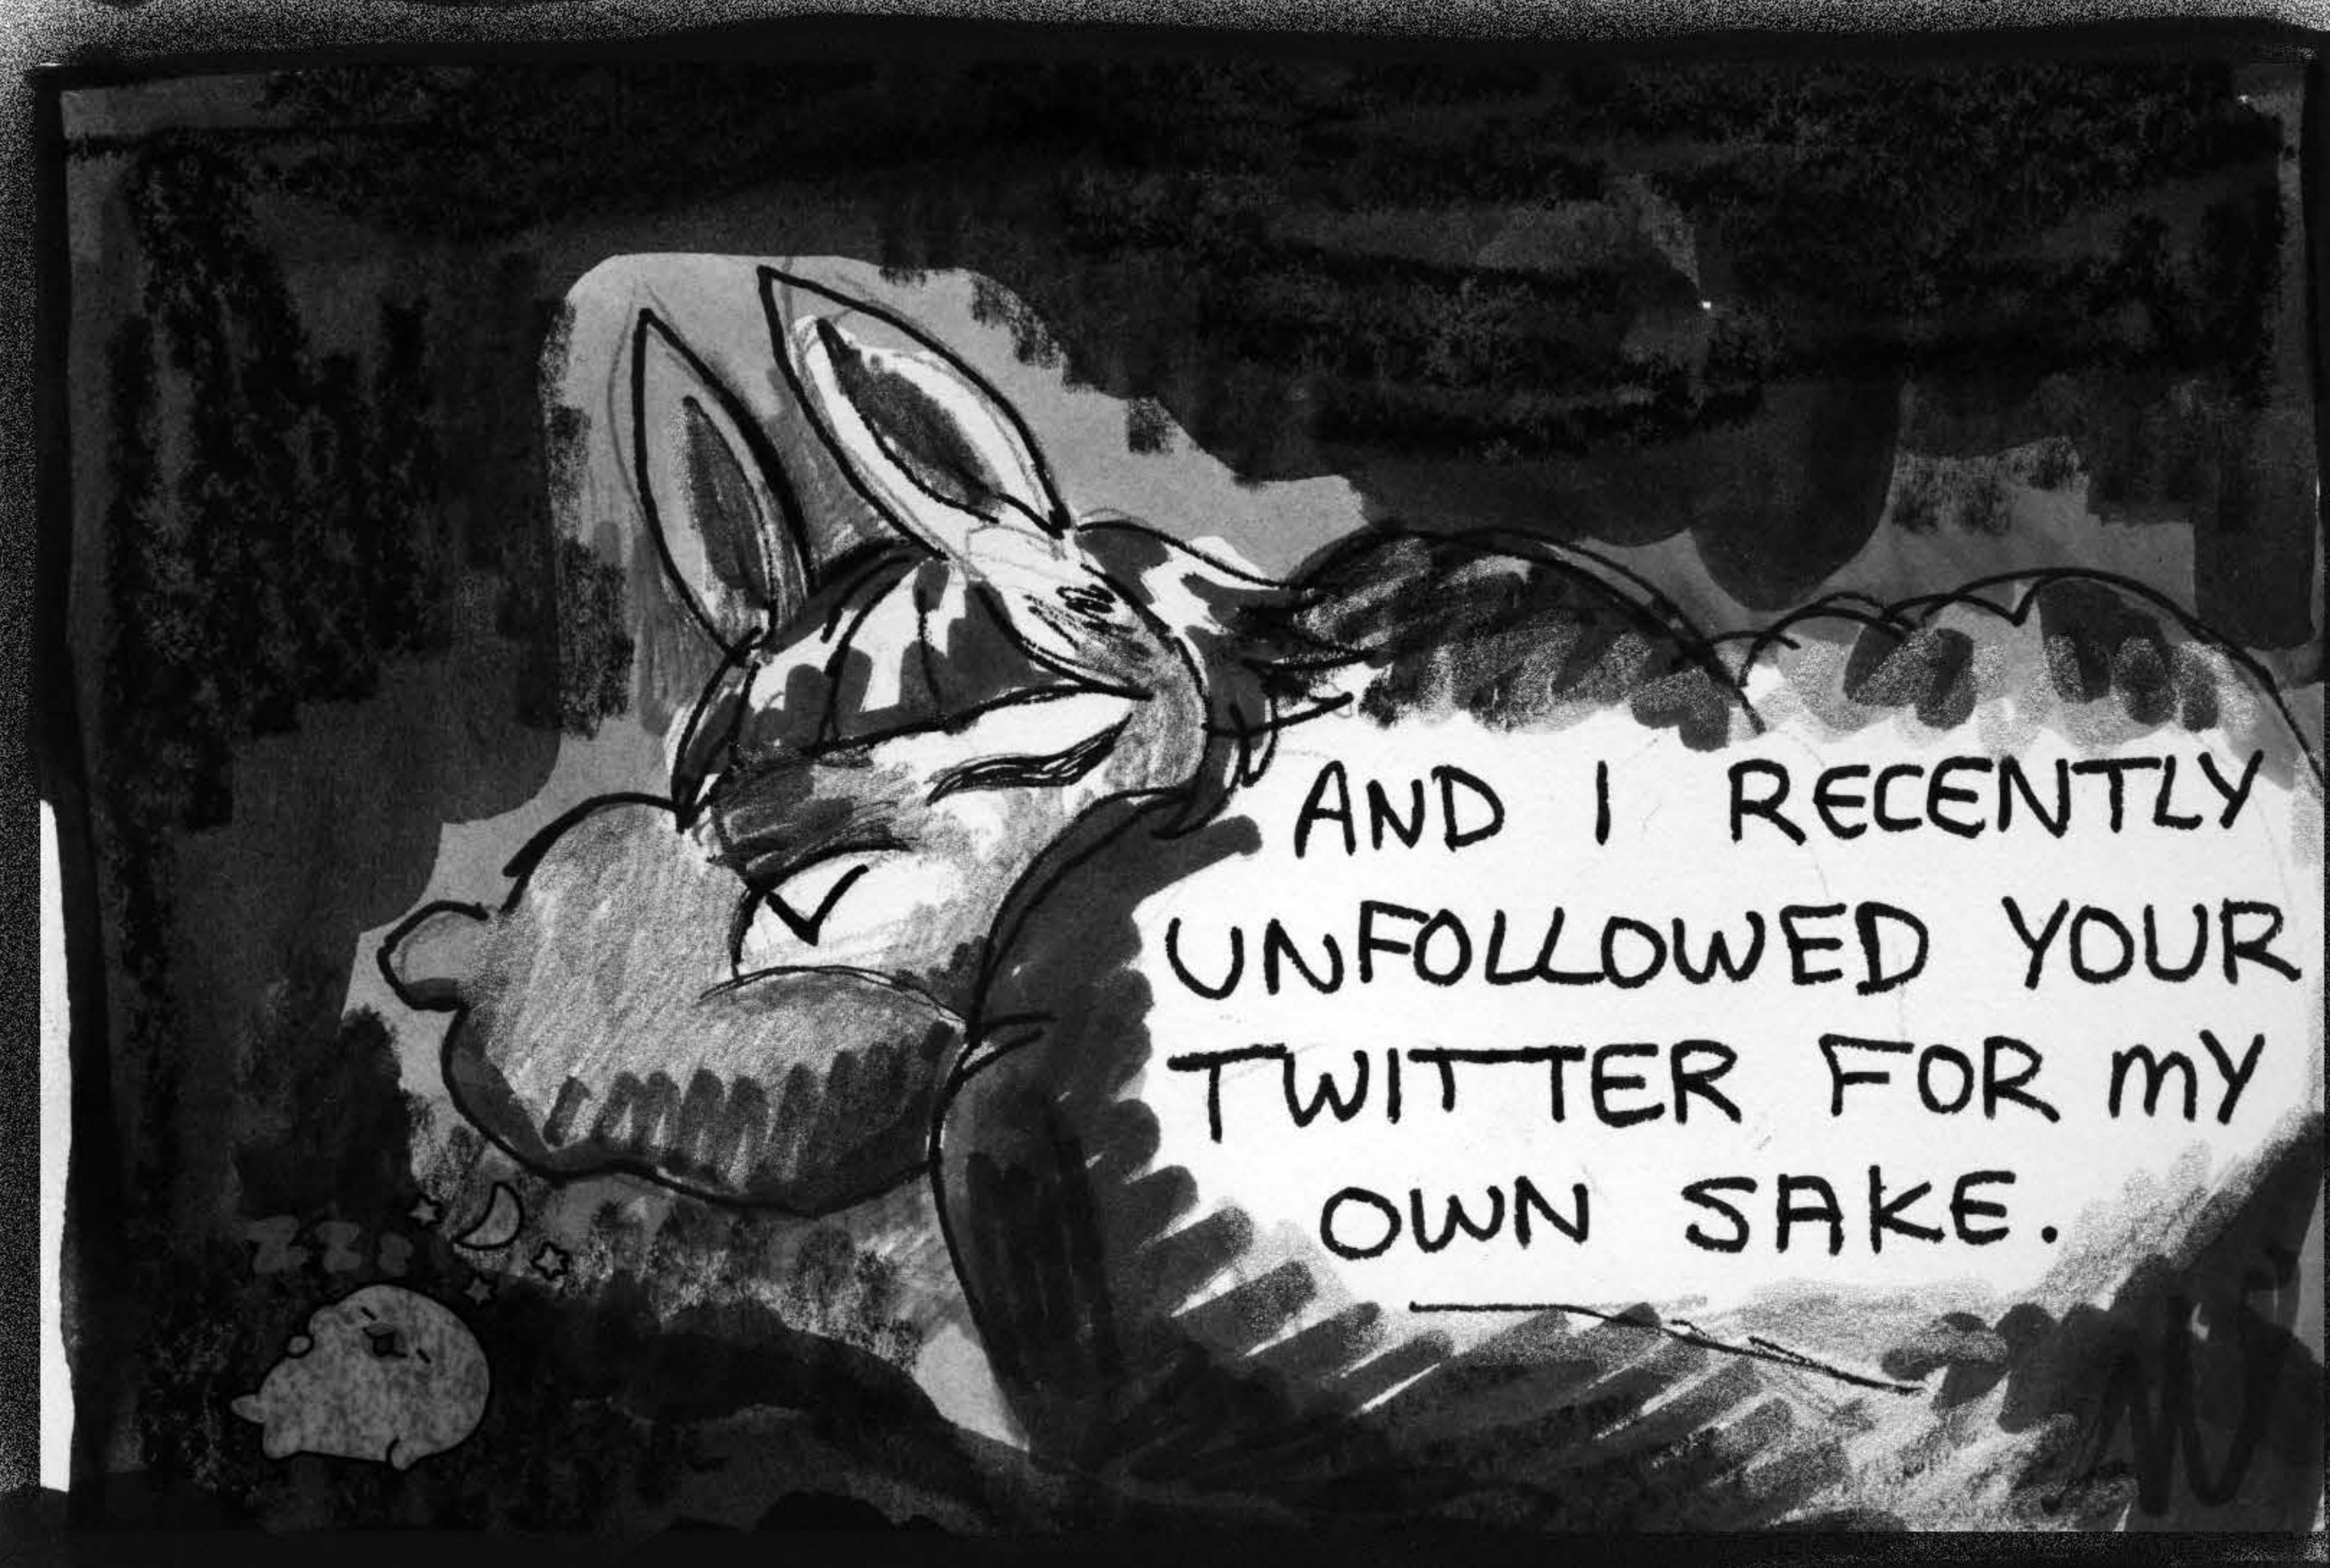

Give me a sign

I WONDER
HOW YOU'VE
BEEN A LOT.

YOU TOOK ME OFF YOUR CLOSE
FRIENDS LIST, SO I DON'T
SEE YOUR BREAKDOWNS
ANYMORE.

AND I RECENTLY
UNFOLLOWED YOUR
TWITTER FOR MY
OWN SAKE.

I HOLD A LOT OF
RESENTMENT
TOWARDS YOU...

SOMETIMES I FEEL
LIKE YOU DESERVE
THE PAIN YOU FEEL

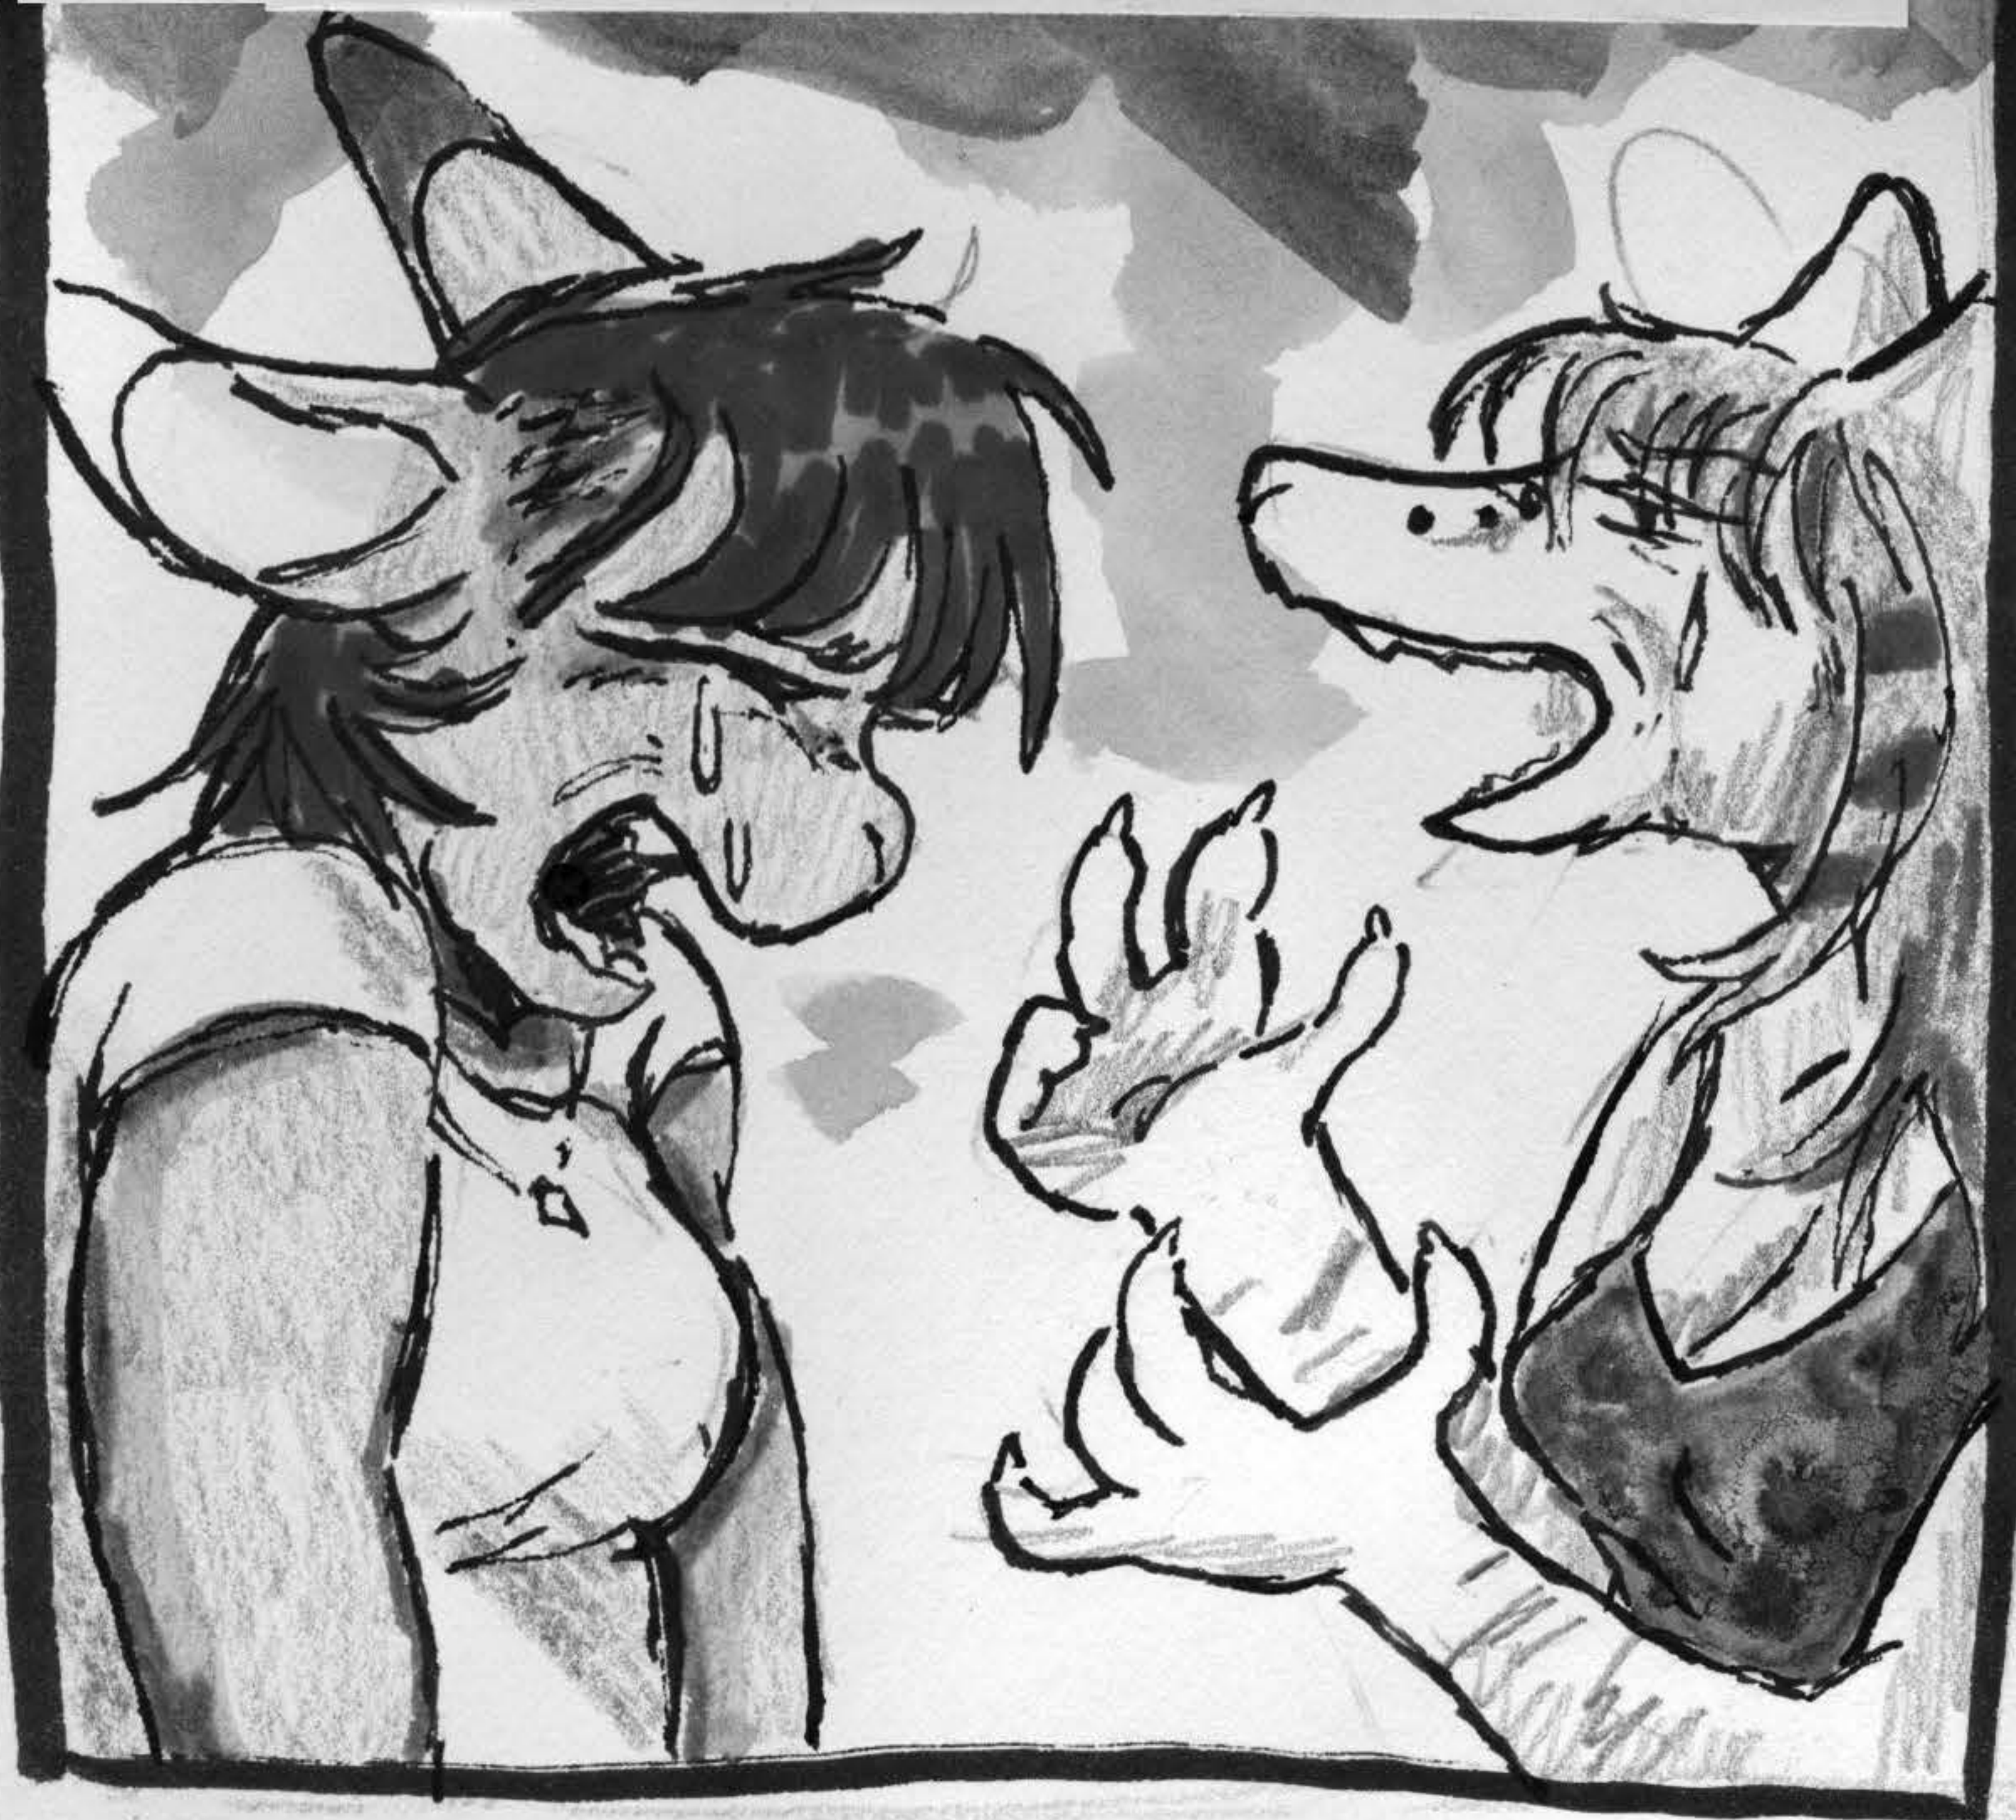

IT FEELS LIKE PAYBACK FOR
ALL THE PAIN AND TURMOIL
YOU'VE CAUSED
ME

BUT MOSTLY I STILL LOVE YOU
AND IT HURTS
TO SAY IT.

DESPITE ALL THE
SCREAMING MATCHES...

DESPITE ALL
THE CLOSE CALLS...

DESPITE ALL THE WAYS IN WHICH WE TORE
EACH OTHER DOWN

I STILL LOVE YOU

SICK TO SAY IT,

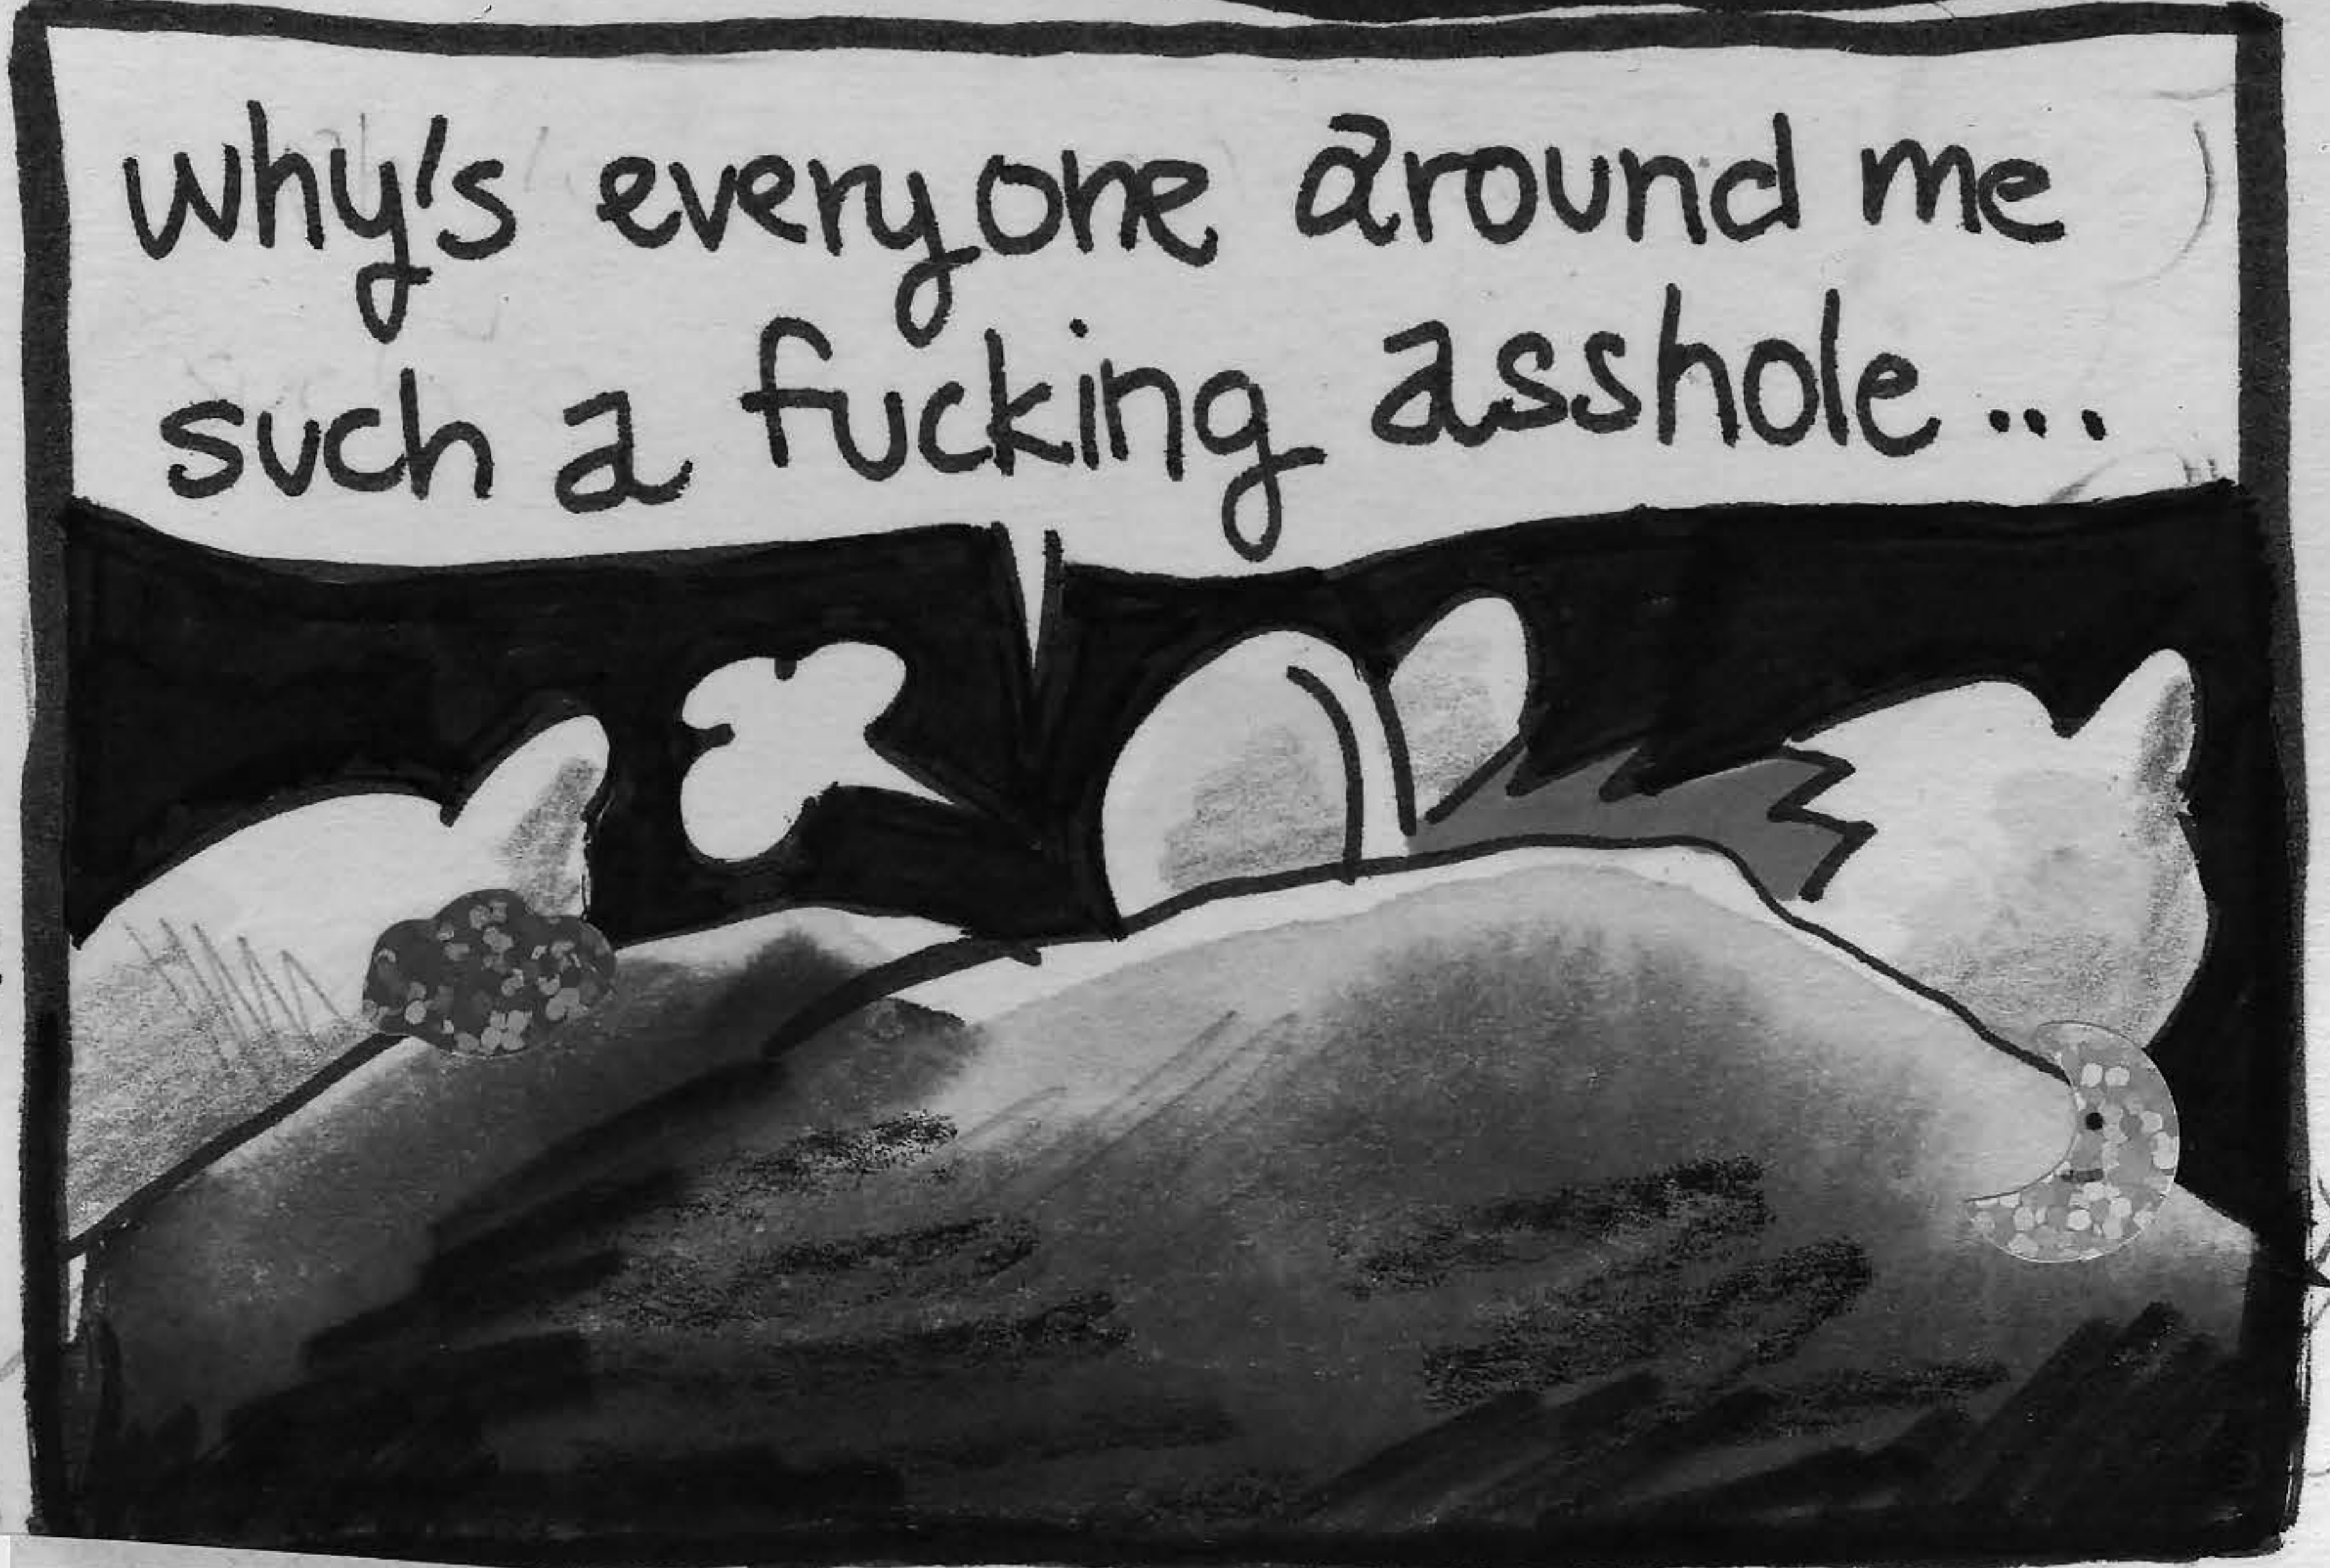

I MISS YOU ...

Man, I'm up too late
Been thinking about the end like
We ain't really been right
We ain't really friends, right?
I don't really feel right... right?
Thought it would be different this time
Thought I'm just addicted to time
I see you getting tired
The wound, finally stitched up with lines
Tears will run dry
Muddy how I'm dipped in the grime
Bathing, everything will be fine
See I'm baptizing the mind
Cents for some dollars, I'm talking about expenses
Ratio from hurt to hurt accumulated
I ain't got the heart or energy to save it
So you should just save it
I know you on the way to your replacement
Now I wonder why my lot is vacant
Kinetic energy inside your basement
Taken but you're owing on the savings
Flooded burst to the pipe and I'm adjacent
Checking when you bouncing on the payment
Treat me like I'm on a Days To
Paying like you're broken but you take it
Stuck inside that circle that you chasing
Chase it just for chasing
Build it, I'm a mason
No man, I been homeless, I'm a vagrant
Testing just to a
Drowsy like the dream someone laced it
What about the [?]
[?]
Watch me go and wash off the bail
Seems I don't
Seesaw for
Reach out for people that fail
I see no equal in hell
I got no sequel to write
Death had no reason to tell
You're acting too unreasonable
Peace feels like [?] and we ride
Conquered I divide
I can't give you a reason, no
You're acting too unreasonable
I can't give you a reason, no

Just so you know, I'm bringing Flutters here tonight so you need to find a place to be until at least 2am, got it?

You're five hours in the future
I'm five hours in the past
Yeah, I'll do anything
To make what we got last
We got a month behind us
And just a few to go
Yeah, I'll do everything
Just let you know

I'm never
I'm never
I'm never gonna let you go

Dry it out
Crushed up
Yeah, put it into lines
Up through a straw
Liquefied
Put in a drop till it's down on the glass
Yeah, it burns fast
Be careful that your peace doesn't shatter
Everything else matters
